The Voice of Early Childhood

'Building Creativity with Wood in the Early Years'

**Saturday 1st July 2017, 9.30am, for refreshments, to 12.30pm
at The Graduate School of Education, Bristol University**

This unique CPD morning will include a presentation on how artist and sculptor, Peter Moorhouse, inspires early years practice by promoting creativity and creative thinking through inquiry based learning.

Using provocations such as light, shadow, transparency, projection and reflection as well as Materials Investigation with wood, metal, clay, wood, plastic and fabric, Pete will explain how he offers children areas of exploration and investigation based on their interests.

The morning will include a demonstration as well as a practical opportunity for delegates to try their own hands at working with wood.

Venue address

**The Graduate School of
Education
35 Berkeley Square, Bristol
BS8 1JA**

About Peter Moorhouse

Pete Moorhouse is passionate about encouraging creative and critical thinking in Early Years Education. He has over 25 years' experience working with schools and works regularly in Early Years settings as an artist in residence. As an artist, Pete is a professional sculptor with an impressive portfolio of sculpture and public art commissions. His work can be seen at www.petemoorhouse.co.uk

Pete provides a number of CPD training sessions and delivers inspiring conference keynote presentations. He has worked with many Local Authorities and schools around the country and also works internationally.

Pete is the leading authority on woodwork in Early Years education and has several journal articles and books published. Pete is an associate trainer for Early Education and an Honorary Research Fellow at the University of Bristol currently researching Creativity and Critical thinking in Early Years Education.
