- Hear about new developments with the Bristol Standard
- Receive help and advice from Bristol Standard mentors to support your own submission
- Network and share ideas with other settings who are also on the Bristol Standard journey.

The meeting will be informal with plenty of opportunities for questions and to exchange ideas.

Key Aims:

- To understand more about how you can meet the three criteria
- Celebrate and share experiences and good practice
- Share information about current developments

Who the meeting is for: Managers, Children's Centre leaders, Room leaders, Practitioners and Reception teachers.
