

## Early Years Speech and Language Therapy Team

## Drop-in sessions for parents

### Free advice for parents of children aged 0-5

Chat to one of our speech and language therapists about your child's speech, language, and communication development.

Each appointment lasts up to 15 minutes and is a chance to get advice and find out more about the support available.

**There's no need to book – just pop along.**

These sessions can get busy and we can only see a maximum number of families. If this is the case, you may be redirected to another session.

You can also call the advice line on 07825 016 335 for further information.
