'Building On' Not 'Getting Ready For'

Supporting Transitions from the EYFS to KS1

Saturday 6th February 2021 - 10.30 am – 12 noon.

Bristol & Bath ECHO warmly welcome you to our first CPD session of 2021 organised jointly with **Early Education**.

Julie's talk will consider how Year 1 teachers build on effective practice in the Foundation Stage to make transition as seamless as possible. She will consider how children learn at this age and stage of their development and the implications of this for pedagogy in KS1 classrooms.

Through the use of DVD footage from Reception and Year 1 she will explore how the role of teachers alters subtly when they are engaged in adult-led learning and when they support learning that is led by the child.

A timely and important CPD session for those wanting to know more about supporting children with this transition.

Bristol & Bath ECHO members book before January 22nd with Early Education to reserve your online place/open to wider Early Education membership from January 22nd 2021.

Cost: £15 or £5 for Early Education members (please provide membership number)

Please see overleaf for more information about the speaker and booking details
