Reforms to Mathematics in EYFS

This session will enable practitioners/ teachers to become more familiar with changes to the maths curriculum. It will be an opportunity to work with other colleagues across Bristol to share ideas about how to implement changes. We will:

- look at the reforms and how this will impact on your teaching.
- have time in break out rooms to discuss with colleagues how to implement the changes.

The session will consist of a half an hour presentation and then an opportunity for discussion and questions.

Please book by 14th June.

To book please email: adminBEYTSA@bristol-schools.uk

*This session is **free** to Early Years settings in Bristol.*
