

MUMS: LOOKING TO GET BACK INTO WORK?

FREE 12 WEEK EMPLOYABILITY COURSE WITH GUARANTEED WORK PLACEMENT

Applications open now and close 25th June 2021

Programme starts mid-September 2021 for 12 weeks

Training @St George's Bristol (just off Park Street):
2 mornings a week, school hours, term time only

Visit: www.womensworklab.co.uk to apply

- **Are you a mum who has been out of the workplace for a year or more?**
- **Are you in receipt of Universal Credit and want to find a career you love?**
- **Has the Covid-19 pandemic got you thinking about next steps but you don't know where to start?**

We are the Women's Work Lab and we support Mums in the South West into work. Over a 12 week period, our programme combines face-to-face expert training that fits around the school run (12-15 hours per week), with a formal work placement at a well respected local employer.

Our training builds your confidence through the skills we teach, our hands-on approach to learning and the invaluable support of other Mums in your group who will share the same kinds of experiences and ambitions as you. We help you explore career options supported by coaching, work experience and also a mentor.

We don't mind why you have been away from work but we want to help you find your own path back. What's important to us is not what you've been doing up until now, but the fact that you are ambitious to make a change and have a willingness to learn.

All training and work placements will take place term time and school hours only, with all travel expenses covered. Please speak to your UC job coach about applying - we will let them know if you are successful in getting a place too.

Training takes place at St George's Bristol, Great George Street (off Park Street), Bristol, BS1 5RR.

Applications for our September programme are now open and close 25th June 2021

APPLY at www.womensworklab.co.uk.
