Please carry out this survey twice – once in September and once in October. Make sure that all children/parents in the year group/classes participating in Walk to School are asked on both occasions – this may mean carrying out the survey on several days over a week to ensure that all children in the group are included (for example if some children are only in nursery on certain days of the week). However, please make sure that children are not double counted. Use tally counting system (###) if possible.
