

Bristol Early Years

EYFS Profile Moderation events 2023

Join Bristol EYFSP moderators to agree and moderate your judgements for the statutory EYFSP assessment. Each session will include an exploration of the duties outlined in the EYFSP handbook, and an opportunity to moderate some EYFS profile assessments with teachers from other schools for quality assurance and to develop assessment reliability. This session is for reception and Year1 teachers and provides a professional development opportunity to support a successful transition to Key Stage 1 (KS1) by informing the professional dialogue between EYFS and year 1 teachers and purposes and principles in the Statutory EYFS Profile handbook.

There are a number of moderation opportunities across terms 5 and 6 and across the city. Teachers need only attend one and can choose the most convenient time and location.

Filton Avenue Primary School 18/05/2023 9.30 am – 11.30am	https://www.eventbrite.co.uk/e/556887023077
