

Early Years Speech and Language Therapy Continuing Professional Development for Early Years Practitioners

Learning Language and Loving It

Hanen's evidenced-based programme

"The best course I have ever done."

"This course has given me a lot more strategies on how to handle and set up group activities."

"It has given me a foundation for how to help develop children's language."

Wednesdays 1.30pm-4.30pm @
Bedminster Children's Centre, British
Road Entrance, Bristol, BS3 3BZ.

Includes 7 teaching sessions plus 4 video visits to your setting. Open to settings in Bristol and South Gloucestershire.

Or email: sirona.sltearlyyearstraininginformation@nhs.net

A research-based approach, focusing on the quality interactions that support "children's social, language and literacy development in early years settings," including "easy-to-use strategies that help children interact."

The course is free, but each setting will need to purchase at least one copy of the 'Learning Language and Loving It' guidebook for their staff to use whilst on the training course. This is available from <https://www.winslowresources.com/> Or <https://www.amazon.co.uk/>
