

Teacher Talk™

Part A: Based on Learning Language and Loving it™ - The Hanen Program® for Early Years Practitioners/Teachers/Professionals

Encouraging Language Development in Early Childhood Settings

Play and daily routines provide opportunities to create enriched, interactive language-learning environments that include *all* children. This training will discuss how to foster language development through daily interactions.

Learn how to:

- identify children's conversational styles and the roles teachers play
- let the child lead in individual and group interactions
- help children become better conversational partners

Please note this is an all day course and will be running in person (not online).
